## WHO ARE WE?

## WHAT DO WE DO?

Remedi are a charity that partners with multiple organisations and communities across the UK. We are a leading facilitator of Restorative approaches, working WITH people affected by crime in the Youth and Adult Criminal Justice System, within schools, communities and the family home.

We have developed a wide range of Restorative approaches in response to conflict wherever it may arise and continue to develop our services with our Restorative ethos as a focal point.

## WHY VOLUNTEER WITH US?

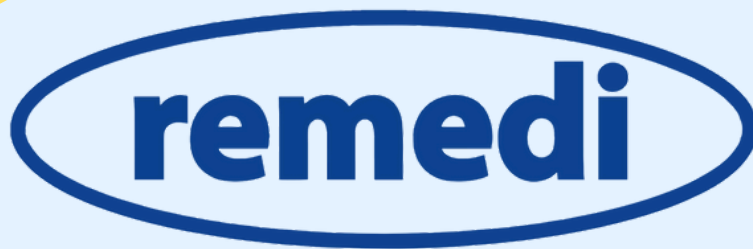

We recognise that the best people to help others within a community are those that are already a part of it. We're always looking for people who want to make a difference in their community and develop new skills. As an organisation we want to continually develop and welcome input from our volunteers - your experience and perspective are invaluable resources in supporting us to improve our services and best serve the people we are helping.

- **Be part of a passionate and committed team**
- **Open the door to a range of future opportunities**
- **Unique and rewarding training and experience**
- **Flexible volunteering schedule**
- **All volunteer related expenses paid**

We take a flexible approach to volunteering, we will work with you to find the best opportunity based on your needs.

**If this sounds like you, then fill out an application form today!**

## HEAR FROM CURRENT VOLUNTEERS!

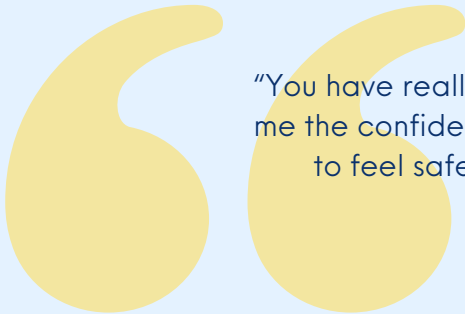

"I feel extremely proud to volunteer with Remedi, I feel needed and appreciated."

"Volunteering allows me to diversify my skill set and experiences with a view to move into a career working within youth justice."

"It's like being part of a community who all share the same passion of helping people."

## HEAR FROM THE PEOPLE WHO'VE BENEFITTED FROM OUR SERVICES

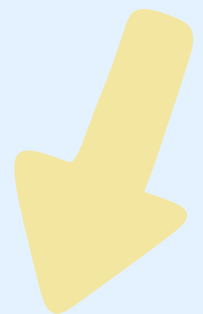

"You have really helped me, and given me the confidence to go back out and to feel safe again. Thank you."

"No-one has ever supported and helped me as much as you have. Thank you so much for everything you've done."

## EQUITY, DIVERSITY & INCLUSION

Remedi takes a zero-tolerance approach to any form of discrimination. We recognise the importance of having a diverse workforce and value representation in all areas of our organisation.
